SUMMARY

.NET Developer | ITI Graduate with practical experience in C#, ASP.NET Core MVC, Web API, Entity Framework Core, LINQ, and SQL Server. Strong knowledge of OOP, SOLID, and Design Patterns with hands-on experience in RESTful APIs, authentication & authorization, and database design. Proficient in Git/GitHub, debugging, testing, Agile methodologies. Passionate about building clean, scalable, and high-performance applications.

INTERNSHIPS

- Information Technology Institute (ITI), Web Development Using Fullstack .Net** 03/2025 – 07/2025
Minya, Egypt
- Gained solid foundation in web development using C#, ASP.NET Core, and SQL Server.
 - Built simple web applications as part of the training using MVC and Web API.
 - Assisted in database management and API integration, ensuring smooth data flow across systems.
 - Actively contributed to code reviews, bug fixing, and the development of new features.

PROJECTS

Library Management System, Desktop App 📁

- Developed a comprehensive library management system using C# with Windows Forms and SQL Server.
- Features included: add/edit/delete books, manage users, search by name, handle sales, and print receipts.
- Collaborated in a team environment, practicing in version control, task division, and team communication.

Examination System of ITI, Database Project 📁

- Designed and developed a full examination database system handling students, instructors, exams, courses, and grades.
- Supported MCQ and True/False question formats, with exam scheduling and grade tracking.
- Built using a normalized relational schema for performance and scalability.
- Utilized Stored Procedures, Triggers, Cursors, and Temporary Tables to implement complex business logic.

Portfolio Website for Adeem (Saudi Arabia), Front-End Project 📁

- Designed and developed a complete responsive website using HTML, CSS, and JavaScript (without frameworks).
- Built layouts optimized for mobile, tablet, and desktop.
- Focused on performance, accessibility, and clean user experience.

SKILLS

- C# | Javascript
- SQL
- SOLID Principles | Testing | API design
- Git | Github
- HTML | CSS
- Problem Solving | Leadership | Communication

EDUCATION

Faculty of Engineering, Minia University
Petrochemicals Department

09/2017 – 09/2022
Minya, Egypt

LANGUAGES

- Arabic
- English
